

SENATOR

New Presidents of U.S. Take Office

Last spring **Principal Bob Reyes** appointed two teachers as Co-Presidents of the United States. **Haven Wilson** relinquished the post due to family and teaching commitments.

Our new presidents are **Kyra Orgill** and **Margaret Ann Shamshoian**. We thank them in advance for their commitment to keep the Senate a viable and valuable part of FHS tradition.

We received a nice note from (just retired) **Co-POTUS Mindy Torres**, thanking us for our recognition of her service to the Senate. We thank Mindy and Haven Wilson for their service.

Co- POTUS Margaret Ann Shamshoian & Kyra Orgill

SENATE REPORT - FALL 2010 ***Margaret Ann Shamshoian & Kyra Orgill***

The club has 30 Senators (12 girls, 18 boys) and three prospectives. We hope to increase our membership to about 35 total Senators this year. Party membership is very active, with 2 communists, 2 republicans, 5 green, 5 independents, and 8 democrats. Last spring's 7 graduates have gone on to UCLA, UC Santa Barbara, and UC Santa Cruz, and elsewhere.

**Mark it down... 121st Annual
Alumni Banquet...**

MARCH 12, 2011

Four Points Sheraton, Blackstone at Dakota

Senators are involved in many activities, including water polo, football, cross country, student body government, and the International Baccalaureate (IB) Program. Community activities include the Historic Neighborhood Assoc. Home Tour, FHS Tree Lighting, Kids First, and Kid's Day.

The Fall 2010 Edition of the FHS Senate

The Senators are, as always, a dynamic group of young people who embody the energy and diversity of the community. **WE PARTICULARLY WOULD LIKE TO SCHEDULE AN ALUMNI NIGHT WHERE HONORARIES WOULD COME AND RUN A MEETING TO SHOW HOW PARLIAMENTARY PRACTICE AND DEBATES WERE CONDUCTED IN THE PAST.**

**ALUMNI'S MEET**

## **TO START 125th PLANNING**

**Herb Boro, '65**, initiated a meeting with brother **Bob, '67**, **Russ Mitchell** and **Martin**

**Temple** (both '52), and **Co-POTUS Kyra Orgill and Margaret Ann Shamshoian**.

Discussed at the November 17 meeting, were next year's banquet, the big 125th Banquet, and Herb's wish to start a Senate Alumni Website.

Those honoraries who would like to get involved should call Russ Mitchell, 438-5520.

**The next meeting will be 7:00 pm Wednesday, Dec. 8, at Herb Boro's home. We particularly need honoraries from the 1960's, '70s, and 80's.**

## TREASURER'S REPORT

Money and mailing list guru **Martin Temple, '52**, reports that outgo exceeds income by about \$300 per year. (*At this rate we're still good for 10 or more years.*) We're losing mailing addresses each year plus the drop in you sending in news AND dues. As always, we don't expect dues from you 1990's and 2000 graduates (we hope you are busy finishing your education and getting your careers and families started) ...

**BUT WE DO NEED NEWS from everyone!**

~~~~~

BY THE DECADES

*Editor's Note: this news was returned after last spring's **Senator**, and people's situations and health may have changed since then.*

How the decades stack up by communicating:

**1930's - 0, 1940's - 4, 1950's - 6,
1960's - 2. 1970's - 2, 2000's - 1**

1930's =====

Both regulars Herb Levy, Jr, '34, and Malcolm Masten, '37, are having problems with increasing maturity. Our regards and best wishes to them and all 1930's grads.

1940's =====

(Editor: we really appreciate our stalwarts from the '40's... we've lost a few but those remaining are active and in touch with you all)

Stan Steinberg, MD, '41, greets everyone and looks forward to joining us for the 125th; **Bob Keldgord, '48**, has pretty much retired from all professional activities, but is working with a professor from Southern California writing a book on the history of California prisons (so much for retirement! Bob); **Bob Zoldoske, '48**, sends greetings from beautiful downtown Clovis; **Alan Sortor, MD, '49**, says "hello," is enjoying retirement... and both he and his wife are still "upright." (*is that a medical diagnosis?*)

1950's =====

Russell Mitchell, '52, is busy with the Fresno Community Chorus (singing) and singer and board president of the Fresno Choral Artists, son Mark is finishing a 2-year assignment with the US AID in Brazil, Russ & Betsy will visit him next spring and do the "Amazon bit" (cruise, Eco Hotel, etc., and a few days in Rio); **Martin Temple, '52**, is still architecting, but spending more time with Bobbye in the clean air of Cambria (by the sea), is still making music with the Fresno Community Chorus; **Maynard Orme, '54**, pens from West Linn, OR, he wishes Oregon were closer to Fresno so he could get to the banquets, he reports **Herb (Robert?) Cherin, '54**, has died (we reported this earlier, and that **Jack Booch** (*not on our Senate list*) died last February, also that **Tim Mazzoni, '54** was very ill with throat cancer and was (last spring) not expected to live. (Tim & Judy's address: 17447 Plaza Animado, #134, Rancho Bernardo, CA 92128); **Richard A Murray, '54**, sends greetings and appreciates the Senate updates; **Doug Lapin, '56**, sends greetings and is serving locally (Pinehurst, NC) on the Village Council (*undoubtedly using is skills learned in the Senate*); **Jim Shekoyan, '58**, sends LOTS OF NEWS, he is still working... four days a week in his Fresno office, one in the Reedley office which he supervises, is still very active in community affairs (CA Supreme Court Historical Society, CSUF President's Advisory Board, Fresno Citizens for Good Government, & greater Reedley Chamber of Commerce, he and wife Anna this year took the "greatest trip ever" to Kenya & Tanzania for a photo safari, (*and to prove he is not over the hill yet*) resumed skiing

after a 15 year lapse, also traveling to Montreal and Istanbul later in 2010.

1960's =====

George Kastner, '61, sends greetings from Fresno; **Herb Boro, '65** is thinking about retirement; **Jim Tingey, '65**, has decided to retire from teaching in Winnetka, IL, and must be returning to California as he hopes to do some hiking in the Sierras with **Herb Boro, '65**. **Bob Boro, '67**, is still very busy making Fresno beautiful, traveling, speaking, and very much the "man about town."

1970's =====

Stan Jantz, '70, is carving out a publishing and new media empire for himself under the clean, blue sky in Huntington Beach, is the Co-CEO of "Conversant Media Group"; **Brent Lindquist, '71**, missed the banquet as he was preparing to leave for two weeks in Spain (also volunteered for the 125th Party)

1980's and 1990's=====

Hello, is anybody there? Please write home.

2000's =====

Madeline Hall, '05, graduated from CSU Fresno and is now teaching biology at Madera High...and wants to get "younger honoraries" to be more active. (*Madeline is the FIRST local honorary to volunteer for the "125th Committee" - thanks so much!*)

~~~~~

**The 125<sup>th</sup> is Still Coming**

We still need local people (1960's and later) to join the 125th Annual Banquet planning group.

If you feel the Senate did anything for you, can a few of you find the time to invest in our association before *rigor mortis* sets in?

**Possible committee volunteers so far:**

- Madeline Hall, '05
- Brent Lindquist, '71
- Jim Tingey, '65

**Something about giving back...  
Give us a Call !**
